Presentation Dinner: TOTAL No. OF GUESTS ATTENDING:.....

To avoid disappointment it is imperative, to indicate total number of guests. Groups of more than 10 people, will be split across adjoining tables unless prior notification/arrangements have been made with the Committee. Every effort is made to accommodate all our guests, however it is not always possible. Please note, that this year is a table-top buffet, which makes it logistically very difficult to accommodate 11 people at a table.
